8. Epic: Login Icon

User Story: Customer

Description: As a User I want to see the login page by clicking on the login icon

Acceptance Criteria: When the login icon is clicked, a drop down list will display with links embedded stating:

Sign in as a Customer

Sign in as a Vendor.

The image displays three wireframe mobile screens illustrating a menu transition. The first screen shows a placeholder image icon, the 'Builders' logo, and a 'Benefits' section with three bullet points. The second screen shows a dropdown menu with four items: 'Place An order', 'Be A distributor', 'About', and 'Help'. The third screen shows the menu closed, with the 'Builders' logo at the bottom and two small circular icons on the right.

7. Epic: Menu Icon

User story: Customer

Description: As a User when I click the menu I want to see a list of all the pages in the site, so I can easily jump to where I want to go.

Acceptance Criteria: When the menu icon is clicked, the drop down should cover the mobile screen, blurring out the homepage at the background. The menu should have this list with links embedded in each;

Place An order, Be A distributor, About, Help.

In that order. The Exit "X" sign should be boldly placed at the top right corner, which will close the menu list and return the user to the homepage.

The image displays two side-by-side wireframe prototypes of a mobile application interface for 'Builders'. Both prototypes feature a white header bar at the top with the 'Builders' logo, 'Log in', 'Sign in', and a menu icon. The left prototype shows a large rectangular container with a photo icon on the left and a 'Benefits' section on the right containing three bullet points of placeholder text. A vertical column of five circular icons is positioned to the right of the benefits text. The right prototype shows a similar layout but with a smaller photo icon and a larger 'Benefits' section containing four bullet points. It also features a vertical column of six circular icons.

6. Epic: Homepage (footer)

User Story: Customer

Description: As a User I want to see links to other sections in the site.

Acceptance Criteria: The User should see links displayed for easy navigation in the site, that is, About us, Help and FAQS, Contact, Services, Distributors. All displayed horizontally to the left side of the mobile screen, with the brand color at the background.

The wireframe shows a desktop view of the 'Builders' website. At the top, there is a navigation bar with a camera icon, the 'Builders' logo, 'Log in' and 'Sign in' buttons, and a menu icon. Below the navigation, there is a large image placeholder. To its right, the word 'Benefits' is displayed above a list of three bullet points. Each bullet point contains placeholder text: '* Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.' Below the list is a 'Learn More' button.

The wireframe shows a mobile or tablet view of the 'Builders' website. The layout is more compact. It features a camera icon, the 'Builders' logo, and 'Log in / Sign in' buttons at the top. Below this is a large image placeholder. To its right, the word 'Benefits' is displayed above a list of three bullet points. Each bullet point contains placeholder text: '* Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.' Below the list is a 'Learn More' button.

5. Epic: Vendors

User Story: Vendors

Description: As a Vendor, I want to see what I stand to gain for having my business on the platform.

Acceptance Criteria: The User should see a photo displayed with a list of three benefits and an icon bar that says "Learn more" below.

The wireframe shows two side-by-side sections. The left section is titled "What we do" and the right section is titled "Our Services". Both sections feature two square icons with a camera lens symbol and a small circle, arranged in a 2x2 grid. Below each grid is a "Get Started" button.

The wireframe shows the same two sections as the desktop version, but they are displayed vertically on a mobile screen. Each section has its own "Get Started" button at the bottom.

4. Epic: Our Services

User Story: Customer

Description: As a new user, when I get here, I want to see the services you provide.

Acceptance Criteria: The User should see our services displayed side by side in twos. Each will be displayed with pictures with an icon bar that says "Get started" below.

The wireframe shows a top navigation bar with a camera icon, the word "Builders", "Log in", "Sign in", and a menu icon. Below the navigation are two large rectangular sections. The left section is titled "What we do" and contains placeholder text. The right section is titled "Our Services" and also contains placeholder text.

What we do

Our Services

Placeholder text for "What we do":
Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis.

Placeholder text for "Our Services":
Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis.

This wireframe shows the same layout as the first one, but with more detailed content in the sections. The "What we do" and "Our Services" sections now contain full-length placeholder text.
